

Teen Meeting Minutes
March 17, 2011

Present: Esther H, Marilyn K, Linda S, Laura M

SRP

Reading log-After Linda spoke with Kevin, Krista, several teachers and librarians it was decided that the teens will read for a total of 16 hours to complete their reading log for SRP. Teens, children and adults will all read in 20 minute increments. We have decided that the first time reading log will be green and the second reading log will be tan.

Flyer- The performer's schedules are set for SRP. We still need to firm up which crafts we will be doing before we can finalize the flyers.

Quizzes- We are working on completing the quizzes that will be available for the teens each week of SRP. Teens who turn in a quiz by the end of each week will be entered in a drawing for a \$10 gift card. We are to submit our completed quizzes to Linda by May 1 to allow enough time for them to be printed.

Books- We have chosen the 12 books that will be offered to the teens as their prize for completing SRP. There will be 2 titles that will be shared with the children's dept. for the younger tweens.

Book bags- Bags will be given out again this year to participants of SRP. The bags will be green this year.

AMAZING RACE

Linda showed us two passports that she had designed that the teens will use to participate in the Amazing Race. We chose one and decided that it should be printed on cardstock to make it sturdier because they will need to bring it back each week to be stamped when they complete each leg of the race. The passport will have the rules on one side and the countries on the other side. We are not sure how much participation to expect for the race. If a lot of teens participate, we will have a drawing at each branch for a winner. If there isn't much participation, we will have one winner for the library system.

Marilyn is working on the slides that we will display on our monitors to advertise the Amazing Race. She devised a schedule that will rotate each country so each branch will have the materials needed to do the race each week. Week nine will be the make up week for the teens to complete the race at all branches.

We will have the puzzles and quizzes laminated so they will hold up better as they will be used at all the branches. Linda will include the instructions for the Amazing race that will be sent along with the SRP packets that each branch will receive.

We will have our country's clues ready by our May 12 meeting so they can be printed and laminated to be ready for the beginning of SRP.

TEEN SRP CRAFT IDEAS

After much discussion of craft ideas, Linda made a list of all the supplies we will need to offer these crafts this summer. Some of the items will come from Oriental trading Company and some will come from craft stores or dollar stores. These supplies will be ordered and purchased in time for the beginning of SRP.

NEXT TEEN MEETING

Because so much was accomplished at the meeting this month, we decided there is no need for a meeting in April.

Our next meeting will be May 12 at 1:30 in the AJWPL Board Meeting Room.
