Section 1.3 The Employer recognizes its obligation to bargain concerning subcontracting of work performed by employees in this unit. The Employer will bargain in good faith concerning the decision and effects on the bargaining unit of any decision to subcontract bargaining unit work; provided that, this provision shall not apply where the Employer desires to assign bargaining unit work to other employees as part of a decision authorized in Section 1.4.

Section 1.4 If the Employer decides to permanently remove a position from the unit, or decides to reduce a full-time position to a part-time position, the Employer agrees to bargain with the Association prior to effectuating the decision concerning the effects of the decision.

Section 1.5 Any employee affected by a decision in Section 1.3 or 1.4 shall be allowed to utilize the lay-off and recall provisions of this Agreement.

Section 1.6 New Positions. The determination of whether a new job classification is within the bargaining unit shall be a subject of bargaining. New positions excluded from the bargaining unit as per Section 1.1 of this Agreement shall not be subjects of bargaining. Notwithstanding anything contained in this Agreement to the contrary, a position reduced from full-time to part-time as authorized by Section 1.4 shall remain a bargaining unit position.

Section 1.7 Volunteers. No volunteers shall be utilized by the Employer to perform any work of this bargaining unit.

SECTION 2

REPRESENTATION

Section 2.1 Union Representation

(a) *Officers.* The Employer agrees to recognize three (3) officers elected or selected by Local 612 from its employees who have completed the probationary period. Local 612 acknowledges that in view of the diverse locations of the Branch Libraries, such officers will use their best efforts to handle the assigned duties outside of normal working hours except for serious or unusual situations. In that event, when it is necessary for an officer to leave his/her work to process a grievance in accordance with the grievance procedure established herein, such officer will first obtain permission from the Library Director or Assistant Director. He/She shall return to his/her job as promptly as possible, and shall promptly report to the Library Director or Assistant Director upon returning to work. If it is impossible for an officer to be relieved of his/her duty upon request, he/she shall be excused at the earliest possible time after proper arrangements have been made; such arrangements shall not be unreasonably withheld. Local 612 agrees to furnish the Employer in writing a list of its designated officers. Only one officer may process a grievance during normal working hours if that is necessary.

(b) *Collective Bargaining Committee.* Two (2) elected or selected employees, together with its non-employee representatives shall function as a collective bargaining committee. The collective bargaining committee shall meet with representatives of the Employer for purposes of negotiations of any modification or renewals of this Agreement or at mutually agreed upon special conferences.

(c) *Union Representation.* The Bay County Library System agrees to allow one officer time off without pay on a quarterly basis to attend ICEA/PERA Board meetings.

Section 2.2 Communications With Members. Upon request, the Employer shall provide space at each branch for a bulletin board to be used by Local 612 for posting Local 612 business only. Local 612 shall not use the bulletin board for statements which are prejudicial or defamatory to the Employer.

Further, nothing shall preclude the employees from using the Employer's e-mail system or internet access in order to communicate with Local 612. Such communication shall not unduly disrupt work during work hours.

Section 2.3 Copy Distribution. The Employer agrees to provide each current bargaining unit member and all future bargaining unit members with a copy of this Agreement and additions thereto. Each bargaining unit member shall be provided with a copy of a newly-ratified Agreement within sixty (60) days following its execution. The expense of providing copies shall be equally shared by the Employer and Local 612. Copies may be provided by e-mail.

Section 2.4 Notice of Representatives. Local 612 shall furnish the Employer with a current written roster listing the names of its officers. When changes are made of Local 612 officers, Local 612 shall, within ten (10) days thereof, notify the Employer of said changes in writing.

Section 2.5 The Employer shall provide a Board of Trustees' meeting agenda and proposed minutes to the Local President via e-mail.

SECTION 3

UNION SECURITY

Section 3.1 Agency Shop. The Employer agrees that all employees in the bargaining unit defined herein may be members of Local 612 within thirty (30) days of hire, or pay a service fee proportional to the collective bargaining cost of Local 612, including cost of negotiation and administration of the contract, the amount of which fee Local 612 shall certify to the Employer from time to time but not in excess of its regular dues.

Section 3.2 Payroll Deduction. Upon receipt of a written authorization of payroll deduction, Employer agrees to deduct Local 612 dues for Local 612 members or a service fee, from the pay of each employee authorizing said deduction. No such authorization shall be recognized or honored if in violation of State or Federal Law. Said dues for Local 612 members, or a service fee, excluding those persons not included in the bargaining unit, shall be deducted from the employee's pay once a month and transmitted by the Employer to I.C.E.A. / P.E.R.A.'s treasurer within five (5) workdays from the time said deductions are made. Local 612 will notify the Employer as to the amount of dues to be deducted for Local 612 members and the amount of the service fee, excluding individuals not in the bargaining unit. Any changes in dues rate and the service fee shall be similarly certified to the Employer and shall be done at least one (1) month in advance of the effective date of such change. The Employer shall have received written authorization for change of rate in dues from every employee one (1) calendar month in advance of the effective date of the change in payroll deduction.

Section 3.3 Indemnification. The Union shall indemnify and save the Employer harmless against any and all claims, demands, suits or other forms of liability arising out of any action taken by the Employer in deducting or remitting dues for Local 612 members or service fees as described in Section 3.1 and Section 3.2 of this Agreement.

SECTION 4

MANAGEMENT RIGHTS

Section 4.1 Reservation of Rights. It is hereby acknowledged and agreed by Local 612 that except as otherwise expressly provided in this Agreement, the Employer reserves and retains all of its inherent and customary rights, powers, functions and authority of management to control and manage the operations of the Library System except as expressly provided in this Agreement. Among the rights reserved by the Employer is the right to determine all matters pertaining to the services to be furnished, the methods, procedures, means, equipment and machines required to provide such services; the number of personnel required, the nature, number and location of facilities and departments to be operated; to direct and control operations; to maintain order and efficiency; to study and use improved methods or equipment; and in all respects to carry out the ordinary and customary functions of the Employer as provided by law. The Employer shall have the right to hire, promote, assign, transfer, suspend, discipline, discharge for just cause, lay off and recall personnel, provided, however, that these rights shall not be exercised in violation of any express provisions of this Agreement. The Employer shall have the right to hire and promote employees to such a salary step as in its sole discretion it determines is advisable and is consistent with the intent of Section 7.5 relating to higher salaries for promoted employees. It shall have the right to establish reasonable rules and regulations to govern employees' conduct on the job, and to establish reasonable penalties for violation of such rules; to make judgments as to ability and skill, subject to the grievance procedures; to approve and schedule vacations and personal days, and to determine work loads and to establish and change work schedules, provided, however, that these rights shall not be exercised in violation of any express provision of this Agreement.

Section 4.2 Rules and Regulations. The Employer shall have, within its discretion, the right to make, amend, supplement or delete rules and regulations. However, the Local 612 President shall receive a copy of any new or modified rule or regulation ten (10) days prior to its effective date, unless conditions warrant necessary and immediate implementation. If there is concern regarding the fairness of the rule or rule change, the Local 612 President may request a special conference between the Association and the Employer.

Section 4.3 Notice of Requirement. If the Association does not receive a copy of the new work rule or modification thereof as required above, the same shall not be binding upon the Association, the employee, or the Employer.

Section 4.4 Discipline.

(a) Generally, the Employer shall endeavor to provide notice of problems with an employee's performance prior to disciplinary action, except nothing shall prevent the Employer from taking immediate and appropriate disciplinary action should it be required by the circumstances.

(b) Disciplinary action will be taken for just cause. In the event the disciplinary action results in loss of pay or discharge, or a written notice of discipline is inserted in the employee's personnel file, the employee will be informed of his/her right to be represented by his/her local president or other local officer immediately prior to the disciplinary action being imposed. In the event of disciplinary action taken, the Employer shall provide a written summary statement of the reasons why said action is being imposed. Nothing contained in this subsection shall be construed so as to preclude the Employer from imposing disciplinary action with just cause upon an employee for wrongful conduct which is not addressed in a specific employee work rule.

(c) The provisions of this section shall be controlling over any past practice or personnel policy provision which was in effect prior to the adoption of this first Collective Bargaining Agreement.

SECTION 5

GRIEVANCE AND ARBITRATION PROCEDURES

Section 5.1 Definition of Grievance. A grievance shall be a complaint by an employee or Local 612 concerning the application and interpretation of this Agreement as written. All grievances shall be commenced within ten (10) workdays after the grievance has become known, or should reasonably have been known, by the employee.

Section 5.2 Grievance Procedure. All grievances shall be handled in the following manner:

(a) *Procedure*

Step 1. An employee with a complaint may discuss the matter informally with the Assistant Director. Every effort shall be made to satisfactorily settle the complaint in this manner. The Assistant Director shall give his/her disposition within ten (10) days. A Local 612 officer shall participate in the discussion with the Assistant Director.

Step 2. If the complaint is not satisfactorily settled at Step 1, Local 612 shall submit a written grievance signed by the employee and a Local 612 officer to the Library Director or his/her representative within ten (10) days after receipt of the Assistant Director's answer in Step 1. For informational purposes, the grievance shall indicate the section or sections of this Agreement alleged to have been violated. Within ten (10) days after receiving the written grievance, the Library Director or his/her representative, the involved Local 612 officer and grievant shall meet and discuss the grievance in an effort to satisfactorily resolve it. The employee shall receive the Library Director's written answer within ten (10) days after such meeting.

Step 3. Any grievance which is not resolved in Step 2 of the written procedure may be submitted to the Library Board within ten (10) days after receipt of the Library Director's disposition in Step 2. The grievance shall be placed on the agenda for discussion between Local 612 and the Library Board at the Library Board's next scheduled meeting. Either party may have non-employee representatives present, if desired. The Employer's final answer to the grievance shall be submitted to Local 612 within fifteen (15) days following the date of the meeting. If the grievance is not satisfactorily resolved, it may be submitted to mediation or arbitration in accordance with the procedures established in this Agreement.

Step 4. In the event the answer of the Board is unsatisfactory, the Association may request mediation by contacting the Michigan Employment Relations Commission and requesting that a state mediator be assigned to assist them in settlement of the dispute. The Association may proceed directly to arbitration as provided below and skip this step. It is agreed that the mediation session(s) will be treated confidentially and minutes of meetings would not be available for use in any subsequent grievance arbitration. In the event mediation is unsuccessful in facilitating a settlement of the dispute(s), the Association may notify the Employer of its intent to arbitrate the grievance.

In the event that a position referenced in this section is not currently filled, a grievance shall originate or move to the next step as the case may be.

(b) *Local 612*

Except as to the initial, informal, verbal discussion between employee and supervisor in subsection (a), above, Local 612 shall have exclusive authority to initiate, prosecute and adjust grievances under this section.

Section 5.3 Arbitration Request. Local 612 may request arbitration of any unresolved grievance by giving written notice to the Library Board of its intent to arbitrate within ten (10) days following receipt of the Library Board's disposition in Step 3 of the grievance procedure, or within ten (10) days following the termination of mediation as the case may be.

Section 5.4 Selection of Arbitrator. If a timely request for arbitration is filed by Local 612, the parties shall promptly select by mutual agreement one (1) arbitrator who shall decide the matter. If no agreement is reached, the arbitrator shall be selected from a panel of arbitrators submitted by the American Arbitration Association in accordance with its rules.

Section 5.5 Arbitrator's Jurisdiction.

(a) The arbitrator's power shall be limited to the interpretation of this Agreement as written, and he/she shall at all times be governed wholly by the terms of this Agreement. The arbitrator shall have no power or authority to amend, alter or modify this Agreement, either directly or indirectly. If the issue of arbitrability is raised, the arbitrator shall decide the merits of the grievance if arbitrability is affirmatively decided by him/her. The parties acknowledge that the Employer retains all rights not otherwise abrogated under the express terms of this Agreement, as generalized in the Management Rights Clause hereunder. It is the intent of the parties that arbitration shall be used during the life of this Agreement to resolve disputes which arise concerning the express provisions of this Agreement.

(b) The arbitrator's decision shall be final and binding on the Employer, Local 612 and employees. The fees and expenses of the arbitrator shall be paid equally by Local 612 and the Employer.

Section 5.6 Election of Remedies.

(a) When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure for a Veteran's Preference Hearing pursuant to Act 305 of the Public Acts of 1897, *et seq*, or any federal law pertaining thereto, and/or Civil Rights matters pursuant to Act 453 of the Public Acts of 1976, or any federal law pertaining thereto, in addition to the grievance procedure provided under this contract, and the employee elects to utilize the statutory or administrative remedy, the Association and affected employee shall not process the complaint beyond the mediation step of the grievance procedure provided for in this contract. It is specifically recognized by the parties that this section encompasses and shall apply to Veteran's Preference Hearings, Michigan Department of Civil Rights Complaints, Michigan case and/or statutory remedies, or Court actions litigating the same issues.

(b) If an employee elects to use the grievance procedure provided for under this contract and also elects to pursue the issue(s) in another forum, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited.

Section 5.7 Time Limitation. Except as provided in this section, the time limits established in the grievance procedure shall be followed by the parties hereto. If the time limit procedure is not followed by Local 612, the grievance shall be considered settled in accordance with the Employer's last disposition. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, except arbitration, unless Local 612 requests arbitration. Time limits established in the grievance procedure may be extended by mutual agreement, provided it is reduced to writing and the period of extension is specified. If the employee is prevented from using the grievance procedure due to circumstances beyond his/her control, the Arbitrator may consider the circumstances in deciding the time limits of the grievance. Grievances may be filed directly at Step 3 in cases involving discharge, loss of pay, or unit grievance.

Section 5.8 Time Computation. Saturday, Sunday and holidays recognized under this Agreement shall not be counted as "days" under the time procedures established in the grievance procedures.

Section 5.9 Lost Time. The Employer agrees to pay for all reasonable time lost by an employee or Local 612 officer during his/her regular working hours while processing a grievance in accordance with the grievance procedure provided herein or serving as a witness at a grievance hearing as long as prior approval is obtained from the Employer. The Employer, however, reserves the right to revoke this benefit if this privilege is being abused.

SECTION 6

NO STRIKE - NO LOCKOUT

Section 6.1 Prohibition. Neither Local 612 nor any employee shall either directly or indirectly, cause, attempt to cause, or participate in any strike of any sort whatsoever, either complete or partial, against the Employer, or engage in, either directly or indirectly, any complete or partial stoppage of work, walkout, slowdown or refusal to do reasonably assigned work or interfere in any manner with any of the normal operations of the Employer or in any conduct which causes or results in such interference during the term of this Agreement. The Employer agrees that there shall be no lockout during the term of this Agreement.

Section 6.2 Violation. Any employee who engages in any activity prohibited by Section 6.1 shall be subject to such disciplinary action as the Employer deems appropriate.

SECTION 7

SENIORITY

Section 7.1 Definition of Seniority. Seniority shall be defined to mean the length of continuous service of the employee with the Employer commencing from his/her last date of hire in this bargaining unit. Probationary employees shall not accrue seniority until they have completed their probationary period, after which seniority shall revert to their date of hire. Part-time employees' seniority shall commence on the date that the employee becomes a full-time employee. The application of seniority shall be limited to the preferences specifically recited in this Agreement. Employees who are hired on the same date shall be placed on the seniority list as determined by adding up all of the numbers of the employee's social security number, the highest having the greatest seniority.

Section 7.2 Probationary Period. An employee shall acquire seniority after having been employed for a period of six (6) months, or such additional period as may be extended, after which his/her seniority date shall be his/her last date of hire. If the Employer wishes to extend the probationary period in the case of any employee whose performance has not been fully satisfactory in the opinion of the Employer, the Employer may do so for an additional period, not to exceed three (3) months. During an employee's probationary period, he/she may be laid off or terminated without regard and without recourse to this Agreement.

Section 7.3 Seniority List. The Employer agrees to furnish Local 612 with an annual seniority list. The Employer further agrees to furnish a seniority list from time to time with reasonable notice from the Union.

Section 7.4 Loss of Seniority. An employee's seniority with the Employer shall terminate, and the employment relationship shall end if:

- (a) The employee quits, retires, or is discharged for cause and the discharge is not reversed.
- (b) Absence from work for three (3) consecutive working days without proper notification and approval.
- (c) Failure to return to work on the required date at the expiration of a leave of absence or at the end of a vacation, unless otherwise excused, unless the failure to return was due to circumstances beyond the control of the employee.
- (d) The employee fails to give notice of his/her intent to return to work within ten (10) working days after issuance of the Employer's notice of recall by certified mail to the last known address of such employee as shown by the Employer's records. It shall be the responsibility of the employee to provide the Library with a current address.
- (e) A settlement with the employee has been made for total disability.
- (f) The employee intentionally falsified pertinent information on his/her application for employment. A three-year statute of limitations shall apply.
- (g) The employee is on layoff status for a period of time equal to the length of seniority or three (3) years, whichever is less.
- (h) The employee is on unpaid leave of absence (other than military leave or approved leave of absence for educational purposes) consecutively for a period of time equal to the length of seniority or one (1) year, whichever is less.

Section 7.5 Promotions and Transfers. In order to provide advancement opportunity when vacancies exist within the bargaining unit, the Employer agrees that all permanent new jobs and vacancies shall be posted internally for Local 612 members for seven (7) days before posting on the bulletin board for other than Local 612 members for a period of not less than seven (7) calendar days. The posting shall indicate the title, description of duties, basic personnel requirements, work schedule and rate of pay of the vacancy. Interested employees may make application for such vacancies by filing with the Director or his/her representative a statement declaring their desire for a transfer or advancement. The Employer shall award the job to the most qualified applicant. If an employee applies, the Employer shall give due consideration to the employee's education, experience, training, ability, seniority and work record. All promoted or transferred employees (even to another bargaining unit) shall serve a trial period not to exceed six (6) months.

If disqualified by him/herself or the Employer during the trial period, a promoted or transferred employee shall return to his/her former position as shall all other employees affected.

The Employer agrees to provide copies of all job descriptions of bargaining unit positions to the union. Employer shall provide copies of all new or modified job descriptions to the union prior to the effective date of such new or modified job description. The union may file a unit grievance in accordance with the time limitations stated in Section 5.2 of this contract if union representatives believe, in good faith, that any contract principle has been violated.

Current employees promoted to any higher classification (even in another bargaining unit) shall receive a salary for the new position at the lowest step affording them a salary increase. At no time shall a promoted employee receive a lower salary than that which he/she is paid before promotion. The employer may place the employee at a higher rate based on the employee's education, experience, training, ability, seniority and work record.

Section 7.6. Transfers Outside Bargaining Unit. An employee who accepts a position with the Employer not included in this bargaining unit shall maintain all accumulated seniority to date of transfer. Upon applying to return to the bargaining unit, the employee shall comply with the posting requirements for the vacant position including having the presently required qualifications, education, and skills. The Employer may award the position to the applicant which, in its discretion, it determines is most qualified.

A returning employee shall receive pay and benefits at a level consistent with his/her frozen bargaining unit seniority. To be eligible to return as provided for, above, there must be a vacancy. The above-stated rights shall only last for four (4) years from the date the employee leaves the bargaining unit. Notwithstanding the above, an employee who is discharged shall not be entitled to return to the bargaining unit.

Section 7.7 Layoff. In the event that the Employer in its discretion determines that a layoff is necessary, such layoff will be from classifications selected by the Employer and in numbers determined by the Employer subject to the terms and conditions provided for in this Agreement. The Employer shall make every effort to lay off part-time/substitute and temporary/seasonal employees doing similar bargaining work before laying off any bargaining unit employee in a particular classification. The Employer shall not use the cost per hour of full time - vs - part-time/substitute/ temporary/seasonal employees as the sole justification for the layoff of any bargaining unit employee.

- (a) Layoff of employees shall be by job classification seniority, and the following order shall be followed:
 - (1) Newly hired probationary employees.
 - (2) Remaining seniority employees within the classification affected shall then be laid off in the order of their classification seniority within the affected classification beginning with the least senior.
- (b) An employee who has been recently promoted and is still on trial period in his/her new classification may return to his/her previous classification with his/her pay level and seniority as if he/she had not been promoted if there is a vacancy in the previous classification.
- (c) Employees laid off will be allowed to bump into a job in the same or lower classification, in the bargaining unit, only, for which they have seniority. If there is a vacancy in Local 1203's bargaining unit, a laid off employee may apply for the position. Such employee shall comply with the posting requirements for the vacant position including having the presently required qualifications, education and skills. The Employer shall give special consideration to the laid-off employee; however, it may award the position to the applicant which, in its discretion, it determines is most qualified.

- (d) Nothing contained in this section shall in any way interfere with the Employer's absolute right to transfer employees from one branch to another when circumstances warrant.
- (e) The laid off employee and the Local President shall be given at least ten (10) workdays' prior notice of the layoff. Notice will be given to the employee in writing or sent by first class mail to the employee's last known address in the personnel file. Date of mailing shall be considered the date of giving notice. This ten (10) workdays' prior notice shall not apply to employees being laid off due to being bumped.
- (f) In the event of layoff, an employee may use accumulated vacation prior to receipt of unemployment compensation, provided said employee is entitled to the same.
- (g) Employees on an approved leave of absence may exercise their seniority, in the event that there has been a layoff during the term of the employee's leave of absence, upon their return.
- (h) A bumped employee shall have the same bumping rights as the laid off employee, seniority permitting, and must be given at least three (3) workdays notification of his/her layoff due to being bumped.
- (i) Employees on layoff retain accrued bargaining unit seniority for a period of time not to exceed 30 calendar months from the effective date of the layoff. After that period, seniority is lost.

Section 7.8 Recall. The order of recalling of laid-off employees shall be in the inverse order in which the employees are laid-off and shall be subject to the same conditions of layoff. A laid off seniority employee, if recalled to a job similar in work content and identical or higher in rate to the job from which such employee was laid off, shall be required to take the recall. Failure to take such offered work, in the case of a lasting recall, shall result in loss of seniority and discharge.

Notices of recall shall be sent by certified mail or telegrams to the employee's last known address as shown on the Employer's record. It shall be the responsibility of the employee to provide the Library with a current address. In the case of a long term or lasting recall, the recalled employee shall give notice of intent to return to work within ten (10) working days following notice of recall or such employee's employment shall be terminated without recourse to this Agreement.

In the event the Employer has a need for a substitute on a short-term basis, the Employer will first contact any laid-off employees. When a recall is necessary for a short-term or substitute situations, the Employer may call upon laid off employee(s), in the proper recall order, either personally or by telephone, until an employee who is able to return to work on this short-term basis is located.

SECTION 8

HOURS OF EMPLOYMENT

Section 8.1 Regular Work Week. The parties recognize that employees in this bargaining unit are executive, administrative, professional and computer employees paid on a salary basis and expected to work whatever hours are necessary in order to properly fulfill their employment duties. The ordinary work week shall be a minimum of five days and 40 hours, Sunday through Saturday and as operational needs require. The ordinary workday shall be a minimum of eight hours. Shifts may include evening hours. The Employer recognizes that, at times, employees in this unit may downwardly depart from the minimum days/hours specified in this section where operational needs are being met and where an inordinate number of hours have been worked in a pay cycle.

Section 8.2 Overtime. Bargaining unit members are executive, administrative, professional and computer professional employees who are paid on a salary basis. They are exempt from overtime. They are expected to work whatever hours are necessary in order to properly fulfill their employment duties.

Section 8.3 Sunday Premium. When an employee works on a Sunday, the employee shall be entitled to a shift premium of time and one-half in money or in compensatory time, at the employee's option.

Section 8.4 Exchange of Schedules. An employee may occasionally trade a scheduled work assignment with another qualified employee to accommodate personal business, provided that such change does not cause an interruption of service or other undue inconvenience to the Library and provided that the change is made with the consent of their immediate supervisor.

Section 8.5 Rest/Lunch Periods. All employees working shifts of eight (8) hours shall be entitled to two (2) rest periods per shift, excluding a lunch period. These periods shall be taken one before and one after lunch.

Length of rest periods shall be fifteen (15) minutes per period. No rest period may be taken to extend any lunch period, nor shall any rest period be taken at the beginning or end of any shift.

Lengths and times of lunch periods shall be set by supervision. Lunch periods shall not be counted as part of the total time worked during a scheduled work day.

Section 8.6 Administrative Leave Policy.

(a) If it becomes necessary, due to inclement weather, emergency conditions, power outages, or other acts of God, to curtail some or all of the Library's function, employees shall receive their daily base pay for the hours they would have normally worked. The Library System will close if the County closes for inclement weather.

When this circumstance occurs, employees who are off work on any full eight (8) hour approved in advance paid leave, shall have such leave time accounted for as those employees that had been scheduled to work the day of the closing.

(b) *Inability to Report.* Should the employees be unable to report for work due to inclement weather or emergency conditions, employees may use vacation, personal time or take time off without pay.

Section 8.7 Rest Periods No rest periods can be taken when an employee is being paid overtime or working to earn compensatory time on a Sunday.

SECTION 9

LEAVES OF ABSENCE

Section 9.1 Personal Leave. A "personal leave of absence" shall mean any leave of absence that is not otherwise covered by the remaining subsections of this section, below. Personal leaves of absence will be granted at the discretion of the Employer. A request for a personal leave of absence shall be in writing and signed by the employee and state the reasons for the leave. Requests for personal leave should be filed at least thirty (30) calendar days before such leave is desired, except in emergency situations. Seniority shall be frozen during all approved leaves of absence. An employee shall not accrue seniority while off on a personal leave. All employees who are given a leave of absence must make arrangements to assume the required premiums of all insurance policies for the duration of the leave of absence, if he/she desires those benefits to be continued. It is understood that the continuation of certain insurance benefits in the manner described in the foregoing sentence may be limited by the carrier pursuant to insurance contract language. No benefits shall accumulate or accrue during any leave of absence.

Section 9.2 Funeral Leave. An employee will be granted a leave of absence for up to three (3) days because of the death of a member of the employee's immediate family. An employee shall receive his/her regular rate of pay for the hours that he/she otherwise would have been scheduled to work during such leave. Upon approval of the Library Director, an employee may use additional five (5) days of sick leave, personal and/or vacation leave because of the death. "Immediate Family" is defined to include mother, step-mother, father, step-father, brother, step-brother, sister, step-sister, husband, wife, children, aunt, uncle, niece, nephew, step-children, mother-in-law, step-mother-in-law, father-in-law, step-father-in-law, brother-in-law, sister-in-law, grandparents, grandchildren, and domestic partners. Pay under this section will not be applicable if the employee receives pay for such days under any other provision of this Agreement. Nothing in this section is intended to prevent the Library Director from authorizing a paid funeral day allowing an employee to attend the funeral of a person who is not in the employee's immediate family, but who had a close personal relationship with the employee.

Section 9.3 Jury Duty Leave. Any employee who is obligated to serve as a juror or witness in court shall receive full pay from the Library upon paying his/her juror or witness fee to the Library.

Section 9.4 Sick Leave Benefit. Employees shall earn and be granted sick leave in accordance with the following conditions:

- (a) No sick leave payment will be made to a newly-hired employee during the probationary period. However, upon successful completion of the probationary period, said employee shall receive one (1) eight (8) hour day of sick leave per month worked during the probationary period. Sick leave shall be taken in increments of not less than one-half ($\frac{1}{2}$) hour.
- (b) After completion of the probationary period, each eligible full-time employee shall be credited with sick leave on the basis of one (1) eight (8) hour day each month. Said eight (8) hour day shall be awarded on the first day of each month. Sick leave shall be credited on a prospective basis. An employee who has not worked during the preceding month shall not receive sick leave during a subsequent month. For purposes of this section, non-worked days due to vacation, paid sick leave, funeral leave, jury duty leave or recognized holidays shall be considered as days worked.

- (c) In no case shall the accumulated earned sick leave exceed one hundred ten 110 days. Days over 100 will be converted at year end or retirement at the rate of 2 sick days for 1 vacation to a maximum of 6 vacation days.
- (d) All Employees must contact their supervisor/person in charge to request a sick day. Sick leave shall be granted when it is established to the supervisor's/person in charge satisfaction that an employee is incapacitated for the safe performance of his/her duty because of sickness or injury.
- (e) No sick leave shall be granted for minor ailments which would not affect the safety of an employee, or of other persons, or of property, while performing job duties.
- (f) If an employee is sick for less than four consecutive work days, no doctor slip is required, but could be requested by the employer if the Employer has reason to believe the employee is abusing his/her sick leave privileges. Falsification of the medical certificate or falsely setting forth reasons for the absence shall constitute just cause for dismissal.
- (g) If an employee is sick for four or more consecutive work days, a doctor slip may be required in order to return to work. Falsification of the medical certificate or falsely setting forth reasons for the absence shall constitute just cause for dismissal.
- (h) The cash equivalent of one-half ($\frac{1}{2}$) of any unused accumulated sick leave days will be paid to an employee who retires after having attained the age specified for retirement under the Bay County Employees Retirement System or to the estate of any employee who dies while employed.
- (i) When an employee has a medical condition requiring that they be away from work for four or more days, they must contact their supervisor and the personnel department. The personnel department will determine if there is a need for the employee to be put on FMLA.

- (j) The parties will jointly draft language for a memorandum of understanding to allow for the donation of sick time to another employee. The parties agree to complete this memorandum of understanding by March 31, 2017.

Section 9.5 Proration of Benefits. Employees who work less than two thousand eighty (2080) hours per year shall accrue vacation and sick leave pay on a prorated basis with two thousand eighty (2080) hours per year being considered one hundred percent (100%). The normal regularly scheduled hours shall be used to compute the sick leave credit. Personal days are considered the equivalent of the employee's average working day and an employee with thirty (30) hours per week would be permitted to take six (6) hours leave for each personal day earned. Holiday pay is based upon the number of hours the employee would ordinarily be scheduled per day.

Section 9.6 Military Leave. Military leaves of absence shall be granted to any employee who leaves employment with the Employer for the sole purpose of entering and serving in any of the armed forces of the United States (including guardsmen and reserves) within ten (10) days following commencement of such leave. Such leave shall extend not more than ninety (90) days beyond expiration of the employee's original commitment to service in the armed forces. The employee shall accumulate seniority during military leave, but shall not accumulate any other rights or benefits not expressly required by the Uniformed Services Employment and Re-Employment Rights Act.

Section 9.7 Family and Medical Leave Act. The Employer recognizes its obligations under the Family and Medical Leave Act (FMLA) and agrees that covered members of the bargaining unit are entitled to all rights provided by that act. Eligibility for FMLA leave, the respective obligations of the Employer and the employee, and the notice requirements for FMLA leave, are those contained in the law and interpretive regulations issued by the Department of Labor, as either of them may be amended from time to time. An employee shall have the option of maintaining 40 hours of vacation leave during an FMLA leave.

SECTION 10

Recognized holidays that fall on Sunday will be observed on the recognized government holiday on the following Monday. Employees regularly scheduled Monday through Friday will have Saturday as the recognized day off. Personal days shall be taken in increments of not less than one-half ($\frac{1}{2}$) hour.

As a condition of receiving accrued benefits in cases of a quit, the employee must have provided the Library with at least two (2) weeks advanced notice, unless excused by the Library due to an emergency, or the employee will have been deemed to forfeit any and all accrued vacation.

On an employee's termination by retirement, the employee shall be paid for all vacation time accumulated, including time accumulated during the year in which he/she retires.

(d) All accrued vacation shall be used during the scheduled vacation year and shall not be carried over to the following year. Any such accrued vacation not so used is lost. However, an employee may carry up to five (5) days of unused vacation into the following year.

The Employer shall contribute 80% of the \$150 Hospital Emergency Room copay with the employee contributing the remaining 20%.

Notwithstanding the previous numbered subsections, the Employer's contribution shall not exceed 118% of the immediately preceding year's contribution with the employees' share being adjusted accordingly.

Health care insurance as made available in this section shall be provided for all full-time employees commencing the fifteenth of the month immediately following employment. Except as provided under the Family and Medical Leave Act (FMLA), (see Section 9.7), an employee who is laid off or who takes an unpaid leave of absence must pay the required premiums in order to participate commencing the first month following such layoff or leave of absence.

All employees who retire shall be eligible for the same health insurance plans offered to active employees until they become Medicare eligible.

The Employer shall pay the required premium for employee-only coverage under the current Medicare supplement health care insurance policy, or its equivalent, on behalf of employees who retire at age sixty-five (65) or older, provided such employee has completed ten (10) years of service with the Employer, effective 3/1/2008. Retirees shall be eligible for health care coverage offered above under the same terms until they become Medicare eligible.

Effective 3/1/2008, the Employer shall pay one-half (1/2) of the required premium for employee-only coverage under the current health insurance policy, or its equivalent, on behalf of the employees who retire after having attained the age of fifty-five (55), provided that such employee has completed 30 years of full time service with the Employer and provided further, that such employee makes payment of his/her portion (one-half) of such premiums to the Employer before the regular date of mailing of group premium payments to the carrier.

The Employer shall pay one-half (1/2) of the required premium for employee-only coverage under the current health insurance policy, or its equivalent, on behalf of employees who retire after having attained the age of sixty (60), but before reaching age sixty-five (65), provided that such employee has completed ten (10) years of service with the Employer effective 3/1/2008 and provided further, that such employee makes payment of his/her portion (one-half) of such premiums to the Employer before the regular date for mailing of group premium payments to the carrier. Upon attaining age sixty-five (65), the Employer shall pay one-half (1/2) the required premium for employee-only coverage under the current Medicare supplement health insurance policy, or its equivalent, in lieu of the one-half (1/2) premium payment paid by the Employer on behalf of retirees age sixty (60) to sixty-five (65). It is understood that the age at which an employee retires will determine the Employer's and employee's ongoing share of the insurance premium. The level of contribution will not change with the age of the retiree.

The Employer shall make available hospitalization insurance to employees who retire before the age of sixty (60), provided the employee reimburses the Employer for 100% of the insurance premium.

The failure of any insurance carrier(s) to provide any benefit for which it has contracted shall result in no liability to the Employer, nor shall any such failure be considered a breach by the Employer of any obligation undertaken under this or any other agreement. However, nothing in this Agreement shall be construed to relieve any insurance carrier from any liability it may have to the employee or beneficiary of any employee. The terms of any contract or policy issued by an insurance carrier shall be controlling in all matters pertaining to benefits hereunder.

Section 11.2 Non-duplication of Benefits Option. Employees who take medical coverage may not opt out of dental coverage in exchange for the deferred compensation provided below. The deferred compensation option shall be paid by the Library.

Upon appropriate certification that the employee has health care benefit coverage through a program other than the Library, the Library will contribute two hundred sixteen dollars and sixty-seven cents (\$216.67) per month into the employee's deferred compensation program, or pay that sum to the employee monthly at the employee's sole discretion. At any time, an employee elects to re-enroll in the Library's hospitalization benefit program, the Library will no longer contribute to the deferred compensation program.

An employee choosing the deferred compensation plan in lieu of Library provided health and hospitalization benefits shall have the opportunity to re-enter the Library's health and hospitalization benefit coverage subject to the following:

- (a) An employee who waives the right to Library BC/BS and has coverage through another carrier, can re-enter in the Library's program at any time that the other coverage is no longer available to the employee, i.e., layoff or termination of spouse, divorce, etc. In this event, Library coverage will be effective the fifteenth (15th) of the month following re-enrollment in the Library's program.

- (b) An employee who waives the right to Library BC/BS and has coverage through another carrier may re-enroll in the Library's program only at the Library's BC/BS annual reopening period, which is January 15th.

In all re-entry situations, an employee will be accepted for reinstatement in the Library's BC/BS program without physical examination and pre-existing physical conditions will not be considered.

An employee who elects not to enroll in the Employer's dental benefit plan as provided for in this Agreement shall receive annually four hundred dollars (\$400.00) in deferred compensation, or in monthly installments at the employee's sole discretion, in lieu of the Library's dental care benefits. The deferred compensation option shall be paid by the Library. The Library will contribute thirty-three dollars and thirty-three cents (\$33.33) per month into the employee's deferred compensation program, or pay the money to the employee monthly at the employee's sole discretion. - (a) An employee who waives the right to Library BC/BS dental care plan and has coverage through another carrier can re-enter in the Library's program at any time that the other coverage is no longer available to the employee, i.e., layoff or termination of spouse, divorce, etc. In this event, Library coverage will be effective the fifteenth (15th) of the month following re-enrollment in the Library's program.
- (b) An employee who waives the right to Library BC/BS dental care plan and/or has coverage through another carrier may re-enroll in the Library's program only at the Library's BC/BS annual reopening period, which is January 15th.

Section 11.3 Workers' Compensation. The Library shall provide workers' compensation as required by law. Workers' compensation benefits shall not be supplemented by any other paid leave provisions of this Agreement. Extensions may be available upon mutual agreement between the Union and the Library.

The Library's payment, which is the employee's share, remains designated as the employee's contribution for future withdrawal purposes.

Employees hired after 3/1/2008 will become eligible for pension benefits after completing ten (10) years with the Employer. If an employee terminates employment or is terminated by the employer before being vested, all contributions paid by the employer on behalf of the employee into the retirement system/VEBA shall become the assets of the retirement system/VEBA Trust.

Employees shall be participants in a benefit group in which the formula for pension is credited services multiplied by two and one-quarter percent (2.25%) of final average compensation.

Current Employees shall be offered three benefit options:

- (a) Regular retirement benefits at age 60 with eight years of service.
- (b) Regular retirement benefits at age 55 with 30 years of service.
- (c) Early/reduced retirement benefits at age 55 with eight years of service.

Effective 3/1/2008 new employees shall be offered three benefit options:

- (b) Regular retirement benefits at age 55 with thirty (30) years of service.
- (c) Early/reduced retirement benefits at age 55 with ten (10) years of service.

The extent of the Employer's obligation under this section is limited solely to the payment of the retirement contributions to the Bay County Employees' Retirement System. Employees and retirees shall be entitled to benefits only in accordance with and governed by the terms and conditions specified by the Bay County Employees' Retirement System. The Employer shall not, under any circumstances, be obligated to pay any retirement benefits provided in this section directly to any employee or retiree.

New employees hired after 1/1/2012 will be exempted from the defined benefit pension plan. Employer will contribute a mandatory 2% of wages and will match dollar for dollar up to an additional 2% of the employee's contribution into a 401K retirement plan for a maximum of 4%.

Section 11.7 Vision Insurance BC/BS vision insurance will be offered to employees at their cost. The library will administer the plan. Coverage is contingent upon reaching the carrier's minimum participant limit, currently at 20 employees.
