

## Holding Record

### Juvenile Multi-Media

**ITYPE:** Juvenile multi-media items will come from HQ with the Itype BLJMN. Juvenile multi-media will be included in the monthly mass Itype change.

**CALL NUMBER:** This is assigned by the ACQ department as MM, first word of the title.

**COLLECTION CODE:** This is determined by the selector when ordering.

**CHECK-IN NOTE:** This is entered in the holding record by the ACQ department if the item has more than 1 CD or a combination of CDs and a user's guide. It will be printed on the bibliographic label. *It should not be deleted.*

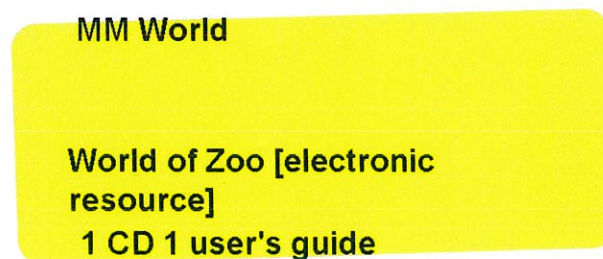

## Processing Procedures

### Juvenile Multi-Media

Juvenile multi-media items will be taken out of their original cases and put in the appropriate multi-media case purchased from Crimson. Original case graphics will be used.

#### Front of Case:

1. The bibliographic label will be attached to the front insert in the upper L corner. If the item has more than 1 CD or a combination of CDs and a user's guide this will be noted on the label. The label will be covered by a yellow C-View (1 ¼ X 3 1/8).

2. A small property label will be attached to the front insert in the lower L corner. Placement may be adjusted to avoid covering pertinent information as long as it remains at the bottom. Labels can be obtained from supply at HQ.

**Back of Case:**

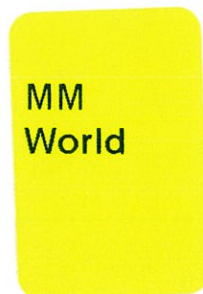

1. The barcode will be attached to the back insert at the top L corner. Placement may be adjusted to avoid covering pertinent information as long as it remains at the top.

2. The date due label will be attached to the back of the case along the left side vertically. Placement may be adjusted to avoid covering pertinent information.

**Spine Label:**

1. The spine label will be attached at the bottom of the spine on the insert. It will be covered vertically by a yellow C-View (1 X 1 1/2).

**Disc(s):**

1. Each disc will have a hub label with the agency code and barcode printed on it.
